## #36: PVC 120 FBS BLACK CONVEYOR BELT

A standard in the industry for general conveying, its all-polyester singleply interwoven carcass offers low stretch, excellent fastener retention, superior rip, tear resistance and gouge resistance at an economical price. The applications are endless and include package conveying, fruits and vegetables, light grain handling, and baggage; almost all processing industries use this belt.

PLIES: 1 | TOP COVER: BLACK FRICTION PVC | BOTTOM COVER: INTERWOVEN FABRIC
